## Rural Child Care Innovation Program Timeline

### Round 1 – FY23

The Rural Child Care Innovation Program (RCCIP) is a facilitated community engagement process designed to develop right-sized solutions to address the challenges of early care and education in the communities selected to participate. Over a two-year period, selected communities will partner with First Children's Finance to increase the supply of high-quality affordable childcare in their local community.

Historically all RCCIP activities have been held in-person. With the pandemic we have developed systems to adapt the RCCIP process so it can be done in-person, virtually or a combination of both. Decisions will be made on a case-by-case basis by the core team lead and First Children's Finance staff depending upon regulations and the current situation with the pandemic. We will do our best to hold the core team orientation retreat, child care provider appreciation event, town hall, and implementation planning retreat in person. Some of the other meetings may be held virtually as needed.

	<b>April 2022 – June 2022</b>	<b>Timing</b>	<b>Details</b>
